

# MIDCCS Student Athlete Contract

I understand participating in athletics is a privilege and not a right. I have certain responsibilities I must maintain since I will be representing my school.

Conditions for participating in athletics are as follows:

1. I will meet ALL eligibility requirements set forth by the MIDCCS Student Athlete Handbook.
2. I understand that my participating may be restricted if one of the following occurs:
  1. I am charged with criminal conduct or violated the MIDCCS Substance Abuse Policy
  2. I violate the student conduct standards found in this Student Athlete Handbook.
  3. I have violated the policies in the MIDCCS Student Handbook.

Please read the following and sign off as you commit to follow the requirements below:

1. I recognize that I represent Mountain Island Day Community Charter School (MIDCCS) and my actions reflect on the school, this community, and my family. Any actions that bring discredit to me or these institutions will be dealt with by the administration and athletic department and may include dismissal from the team (e.g., social media).
2. I commit myself to continuously working toward the goal of being a contributing member of an athletic team at my school.
3. Once I begin a sport, I may not try out for any other sport until that team's regular season is completed and new team's tryouts must not conflict with existing team's postseason schedule.
4. If I decide to quit a sport, I must immediately notify the coach and return all equipment issued. I will be charged for all equipment not returned and prevented from entering the next sport.
5. I understand all equipment issued and fees must be returned/paid before I am allowed to participate in another sport.
6. If I quit a team during a contest, I will be suspended from that team for the remainder of the season. I may also be suspended from athletics for up to one year and must have permission from the Athletic Director and the Coach of the team you quit to rejoin the athletic program.
7. I must be in school at least 4 hours on game day/practice day.
8. I pledge to be a positive role model to my fellow student athletes/teammates and help them abide by all of the athletic department's rules and policies.
9. If I am removed from a team for disciplinary reasons, I may be prohibited to return to any event involving that team or sport for the remainder of the season.
  - a. In keeping with the sportsmanship and team spirit necessary to have a successful season, it is of the upmost importance that all conduct themselves in a positive manner supporting their team. If deemed that any actions are considered detrimental to the success of the team, that athlete may face disciplinary action as deemed fit by the coach, including removal from the team. In signing off on this statement, you are assuring Mountain Island Day Community Charter School that you will be a positive team player and will support the team in all your actions.
