

Mountain Island Day Community Charter School

8th-12th Grade Dress Code

Thank you for supporting Mountain Island Day Community Charter School uniform and dress code program! Please find the following information regarding our uniform requirements and ordering options.

Parents' cooperation is essential in helping the school enforce a dress code that reflects our community values, minimizes distractions, and teaches responsible appearance. The Upper School dress code is a privilege given to our oldest students (8th-12th grade). **Modesty is our standard.** Fashion is unpredictable and constantly changing; therefore, this dress code may not fully address every new trend. In areas where the dress code is silent or unclear, faculty and staff will interpret and enforce the intended "spirit" of the dress code with administrators' oversight. The school reserves the right to clarify or to modify this dress code throughout the school year. Any changes will be shared promptly, and in writing, with our families through email communications. If you are concerned about whether an item may or may not fit into the dress code, please ask prior to wearing the item to school.

Required Uniform Clothing (Students must have at least one)

Students are to wear school logoed uniforms or approved field trip spirit wear on field trips, off campus activities and some special event. Students may be required to wear school logoed uniforms on other days as well.
